Fellow Kiwanians of the Kiwanis Club of Cable Beach

As we venture into another journey, the administrative year 2005-2006, I greet you with love and God's blessings.

On accepting the position as your President of this great club, I would continue to be committed to the objects of Kiwanis.

The inspirational force exhibited by the members of this club would be reflected in our service work throughout the community.

The accolades we would achieve while working with young children, the youth and elderly persons would be shown by the smiles on everyone's face. Our sponsored youth would be highlighted because they are our future Kiwanians

We are a group of Kiwanians dedicated to serve with conviction.

We can and will accomplish all of our goals.

"We can make a difference through service."

President's Goal 2005-2006

To support other Kiwanis Clubs, the Division, the District and International projects

To encourage more hands on service projects

CABLE BEACH CLUB HISTORY

By Past Lt. Governor Steve Strachan

On 20th May, 1968, approximately three months after its organization on 14th February, (official anniversary date), District Governor, Laurent Girouard presented Allen Stewart, Charter President of the newly formed Kiwanis Club of Cable Beach with the Club's Charter. The venue for the charter presentation was the Gulf Stream Room at the Nassau Beach Hotel, Cable Beach. Kiwanis International's Theme that year was "Be a Builder - Get Personally Involved". The Lieutenant Governor of Division 22 was I. E. Brimble. The Club's name is associated with the first undersea international telegraph cable which was laid between Jupiter, Florida and a section of the fore-shores of New Providence. The beautiful and picturesque beach line in the area where the cable came ashore was soon to be known as Cable Beach from which the Club took its name.

The Cable Beach Club was co-sponsored by the Kiwanis Club of Nassau and the Kiwanis Club of Fort Montagu. Since its inception, the Cable Beach Club has sponsored the Kiwanis Club of Inagua and the Key Clubs of Saint John's College, Saint Augustine's College and C. I. Gibson Senior High. The Club has also co-sponsored the Circle K Club of the College of The Bahamas with two other Clubs of Division 22. The Club co-sponsored the Builders Club of T. G. Glover Primary School with the Circle K Club of the College of The Bahamas on April 18, 1997. The Builders Club of St. Cecelia was chartered February 11, 2003. The Kiwanis Club of Cable Beach admitted female members during the 1996-1997 Administrative year under the presidency of Eugene Palacios. In 2002, the Club inducted Rowena Knowles as the first female president.

The club has awarded eight dedicated Kiwanians who have contributed to the growth of Kiwanis with the Mel Osbourne Fellow Award, namely Past Lieutenant Governor Stephen Strachan (charter member), Past President Melford Clarke, Distinguished President Henry Burrows (deceased), Past President Belville Edwards, Merit President Willard Aranha, Diamond Distinguished President James Mackey, Distinguish President Charles Johnson and Vice President Calvin Morley.

A few memorable occasions for the Kiwanis Club of Cable included taking the children from Bilney Lane Children's Home to Disney World in Orlando, Florida; taking the children from the Elizabeth Estates Children's Home and the Ranfurly Home for Children to the beach. Each year the members look forward to fellowshiping with the residents from the Geriatric Hospital Ward of the Sandilands Rehabilitation Centre and the Persis Rodgers Home for the Aged. Kiwanis Club of Cable Beach sponsors a Scholarship at the College of The Bahamas in the name of the Giles Wells Memorial Scholarship which funds are attained from the annual Bike-a-Thon. For more than ten years the Club was known for its premier equestrian event of the season by hosting an Annual Horse Show.

**SPIRITUAL AIMS
CORNER**

I AM A CHRISTIAN

When I say... "I am a Christian"
I'm not shouting "I'm clean livin." I'm whispering "I was lost," Now I'm found and forgiven.

When I say..."I am a Christian"
I don't speak of this with pride. I'm confessing that I stumble and need CHRIST to be my guide.

When I say... "I am a Christian"
I'm not trying to be strong. I'm professing that I'm weak and need HIS strength to carry on.

When I say... "I am a Christian"
I'm not bragging of success. I'm admitting I have failed and need God to clean my mess.

When I say... "I am a Christian"
I'm not claiming to be perfect, My flaws are far too visible but, God believes I am worth it.

When I say... "I am a Christian"
I still feel the sting of pain, I have my share of heartaches. So I call upon His Name.

When I say... "I am a Christian"
I'm not holier than thou, I'm just a simple sinner who received God's good grace, somehow.

Club Clinic

?: *A member of our board of directors has suggested that the membership fee is responsible for keeping several good people from joining the club. What is the policy in regard to this matter?*

A: *The club bylaws provide for a membership fee, with the amount to be determined by each club. This fee should be fixed at an amount that will assist and be in keeping with the club's position in its community. The membership fee may be looked upon as tangible evidence of the sincerity of new members and the goodwill they have for the club. It is believed that prospective members who place the proper emphasis and value on Kiwanis membership will be willing to make this investment in their own success as Kiwanians.*

Election For 1 – Year Directors

for two directors will
begin on Wednesday
5th October, 2005.**

JOKE CORNER

The Cannibals A large corporation recently hired several cannibals. "You are all part of our team now", said the HR rep during the welcoming briefing. You get all the usual benefits and you can go to the cafeteria for something to eat, but please, don't eat any of the other employees". The cannibals promised they would not. Four weeks later their boss remarked, "You're all working very hard and I'm satisfied with your work. However, one of our secretaries has disappeared. Do any of you know what happened to her?" The cannibals all shook their heads "No". After the boss had left, the leader of the cannibals said to the others, which one of you idiots ate the secretary?" A hand rose hesitantly. "You fool!" the leader continued. "For four weeks we've been eating managers and no one noticed anything. But NOOO, you had to go and eat someone who actually does something!!!"
